

## DIRECTIONS:

W Protection was designed to be used with dry hair.

Before a thermal and chemical treatment, such as: Brushing, Straightening, Relaxation, Colouring, and Bleaching.

- On clean and dry hair, spray **W Protection** thoroughly through the entire hair and spread it with a brush. Continue with the normal procedure of the treatment as desired.

When doing a straightening procedure, during the flat iron step, spray at the tips of the hair strands that are not sealing well.
